I am available only in the afternoon on April 3. Is it possible to have the call at 1:30 pm instead of 10:00 am? Thanks.

Craig, Hala, Bob and Dave:

Back in May of 2007, US EPA and IDEM performed a multimedia inspection at US Steel Gary Works. Since then we have been evaluating the mill's compliance and summarizing our findings. We'd now like to discuss with you our findings and options for moving forward.

Are you available for a conference call on 4/3 at 10:00 central? Brent Marable, Sabrina Argentieri (the attorney on the case), and I will participate on our end.

Please let me know, Thanks
